

Soil Viral Workshop

from genomes to ecosystems

What: Soil Viral Workshop – from genomes to ecosystems

Where: Denmark, Søminestation (around 50 km from Copenhagen)

When: 15-17/06/2022 (application deadline 01/04/2022)

Why: To meet other soil virologists

Would you like to participate in the first ever workshop dedicated soil viruses?

If so, hurry, because the workshop is limited to 40 participants. There are no fees, and it includes free accommodation and catering for the 2 & half days (15 to 17 June 2022) event at Søminestation (Denmark).

All you have to pay is your travel expenses. Although, we also have a limited amount of travel grants for early career researchers.

The objective of the Soil Viral Workshop (SVW) is to gather soil virologists in a single forum to encourage networking and exchange knowledge spanning from genomes to ecosystems.

If you want to participate, please complete the [sign-up](#) form by **Friday, 1 April 2022**.

If you wish to submit an abstract see the [guideline](#) information under [sign-up](#), alternatively please submit a motivation letter (see [guidelines](#) under sign-up).

If you are also applying for a travel grant, you need to submit your CV (see [guideline](#) under grants).

Participants that are accepted for participation will be notified by Wednesday, 20 April 2022.

Looking forward to welcoming you in Denmark!

With best regards.

If you have any questions, please don't hesitate to contact the scientific committee:

The Soil Viral Workshop is supported by:

Program

Day 0

Arrivals & Ice breaker

Day 1

- 09:00 Introduction
- 09:20 Plenary talk by Dr. White (USA) -
Theme 1 - Viral Metagenomics
- 09:50 Presentation 1
- 10:05 Coffee break & posters
- 10:35 Presentation 2
- 10:50 Speed poster presentation 1
- 10:55 Group Discussion Theme 1
- 12:30 Lunch
- 14:00 Plenary talk by Dr. Sutela (FI) - Theme 2 -
Soil Viral-Fungal Interactions
- 14:30 Presentation 3
- 14:45 Presentation 4
- 15:00 Speed poster presentation 2
- 15:05 Coffee break & posters
- 15:25 Group Discussion Theme 2
- 17:30 Free time
- 18:00 Dinner (on site)
- 19:30 Walk & Talk - Forest & along Ise Fjord

Day 2

- 09:00 Plenary talk by Dr. Emmerson (USA) -
Theme 3 - Soil viral-plant Interactions & Biogeochemistry
- 09:30 Presentation 5
- 09:45 Presentation 6
- 10:00 Speed poster presentation 3
- 10:05 Coffee break & posters
- 10:25 Group Discussion Theme 3
- 12:00 Lunch
- 13:30 Discussion of future path (incl. coffee on the go)
- 16:00 Departure to Group Tour
- 19:30 Arrival at restaurant (Roskilde)

Day 3

- 10:00 Discussion of research articles
- 12:15 Final remarks & awarding of poster prizes
- 12:30 Lunch
- Departure
- Possible voluntary tour to Copenhagen
